

Council Orders Spraying Of Town With DDT To Eliminate Mosquitoes; Start Thursday

Members of the borough council, faced with hundreds of complaints of the mosquito nuisance in Gettysburg this summer, voted Tuesday night to have the 640 acres of the borough sprayed with a 5 per cent DDT solution by airplane.

The spraying will be done this week, Thursday, if possible, or Friday, by the Tyler Flight Service, specialists in all kinds of aerial spraying. The job will cost the borough \$672.

"As I see it, this is the prime issue before us," Councilman John Millard declared. "The people are demanding that we do something. We represent the people, and we're letting them down if we don't." He made the motion for the spraying, which was passed unanimously.

Other councilmen concurred in these sentiments. While the mosquitoes have been "pestering" the residents of the town, the latter have been "pestering" the councilmen, they said.

The council entered into a verbal contract with Clay E. Delaney, Baltimore, representing the flight service, for the airplane spraying.

"This will rid your city of mosquitoes," Mr. Delaney said, "but it won't kill the flies. The latter have built up an immunity against DDT." Mr. Delaney said, however, that where no spraying had been done for several years, and immunity not built up, the spraying might be effective against the flies.

The Tyler Flying Service is the same firm which sprayed the town by airplane six years ago. Later spraying was done from ground machines by the Vogel-Ritt Co. of Hagerstown.

William Bucklew, the 1952 high school graduate who was employed during the summer months to oil streams and stagnant pools in the campaign against the mosquitoes, appeared before council Tuesday night and offered several suggestions, among them that the borough buy a "jeep" for mosquito control. Such a vehicle could be used to advantage in places where a truck has difficulty in going, he said.

To Continue Oiling

Bucklew's employment terminated last Saturday. He thanked members of council for their cooperation. Council President H. M. Oyler announced that oiling of streams and other places will continue as long as necessary by borough employees.

Councilman L. D. Shearer pointed out that "it is hard to combat the mosquito nuisance because of the weeds and refuse on local property and in alleys." The airplane spraying was then suggested by Councilman Mahlon P. Hartzell. Councilman John D. Teeter suggested that the borough purchase a "fogging" machine. He also said that the season this year had been "ideal" for mosquitoes, not only in Gettysburg but elsewhere in the United States, and their numbers had been much greater than in recent years.

Blame Residents

"If residents of the town are not keeping their weeds cut and their property clean it is their own fault that they have mosquitoes," several councilmen said.

Councilman John Fox wanted to know why weeds on property in the town have not been cut. Burgess William G. Weaver said notices had been sent to property owners. A great many had requested the borough to cut their weeds, he said. Borough Engineer LeRoy H. Winebrenner said his men are cutting weeds now.

"My men told me today that the mosquitoes in 'Locust Grove,' where they were working today, were so bad it was almost impossible to work."

STORM CAUSES DAMAGE IN AREA

A rain and wind storm Tuesday evening, about 6 o'clock brought additional damage to fruit orchards, tore limbs from trees and caused some electrical outages.

Fruit growers said the storm caused "some damage" in orchards, in hurling fruit from trees, and in causing "cracking" of peaches already ripe, when the sun struck the drenched fruit. The damage, in addition to similar damage in week-end storms, was however "comparatively light," most growers contacted said.

Branches wrested off trees by the winds accompanying the storm tore Metropolitan Edison Co. lines near the Sheely round barn cutting off current to about 100 customers, and near the Wills property at Fairfield, causing outages in several homes. A transformer went out during the storm along the Emmitsburg road and the Lincoln Sq. "Great White" (Continued on Page 2)

14 ARRESTED DURING AUGUST IN GETTYSBURG

Borough police made 14 arrests during August, according to a report submitted to borough council Tuesday night by Burgess William G. Weaver. Six were for reckless driving; four for disorderly conduct; two for drunk and disorderly; two for failure to yield the right of way; two for driving past red blinker lights; one for driving a car with plates issued for another vehicle; one for driving too fast for conditions; one for driving the wrong way around Lincoln Square and one for driving on the left side of the highway.

Police had two stolen property cases, three lost and found cases, two dog cases, four state police calls, 25 miscellaneous calls, made nine investigations, escorted five funerals and army convoys and handled one juvenile case.

Burgess Reports

The report of the Burgess showed the following collections for August: parking fines, \$65; building permits, \$34; digging permits, \$31; two theater taxes paid, \$32.89; one yearly theater license paid, \$5, and one roller rental, \$38.

The fire report for August, submitted by Fire Chief Donald G. Jacobs, showed only two fires for the month, one on August 9 at the home of Frank Hower, Baltimore Rd., estimated loss \$200, and one at the Warner Hospital, August 15, an awning, estimated damage, \$50.

The report of the borough treasurer, John H. Baschore, showed receipts for July and August of \$31,966.68, including \$3,930 from parking meters; \$22,940.71 from Tax Collector H. J. Weikert and \$3,912.32 in collections made by the Burgess. Expenditures for the two months were \$29,056.03 and the balance in the general fund on September 2 was shown as \$57,354.21.

FREDERICK RIFE IS FOUND DEAD AFTER 10 DAYS

The badly decomposed body of Frederick G. Rife, 54, Hanover R. 4, Conewago Township, was found lying on a bed in the bungalow where he lived alone Tuesday evening between 6 and 7 o'clock.

Rife had been seen on August 21. A neighbor who had failed to see Rife about his home for the last week peered through a window and saw the body.

Dr. C. G. Crist, Adams County coroner, and State Policeman James A. Treas were notified and conducted an investigation. Dr. Crist put the time of death about August 23 and said it was due to natural causes.

Rites Held Today

The deceased was born in Hanover, a son of the late Mr. and Mrs. William Rife. He was a member of St. Matthew's Lutheran Church, Hanover, and the Home Association of McSherrystown. He had been an insurance agent for many years.

His only survivor is a sister, Mrs. Ruth Meligakes, E. Middle St. Private funeral services will be held this afternoon at 4 o'clock in Mt. Olivet Cemetery, Hanover, and will be conducted by his pastor, the Rev. H. H. Beideman.

Bendersville Truck Figures In Crash

Clifford Wagner, 18, Bendersville, will be charged with failing to yield half the highway as the result of a collision between a 1947 Chevrolet truck he was driving and the Chevrolet sedan of Earl D. Jones, 52, Chambersburg R. 1, at 8 a.m. Monday at the Three-Corner Woods, near Scotland.

State police said Jones, an inspector for SKP, sustained contusions of the chest. He was treated at the Chambersburg Hospital.

The westbound truck collided with the east bound passenger car on the crest of a grade. The truck skidded when Warner applied the brakes. Jones stopped his car when he saw the truck coming toward him.

DIVORCE GRANTED

The Adams County Court Tuesday granted Charles Raymond Sheaffer, Jr., East Berlin, a divorce from Siva Katherine (Morgan) Sheaffer, Seattle, Wash. Indignities and desertion were alleged.

COUPLE LICENSED

A marriage license was issued at the Courthouse to Bernard Joseph Lawrence Jr., son of Mr. and Mrs. B. J. Lawrence, Hanover, and Vesta Louise Lingg, daughter of Mr. and Mrs. Fidelis Lingg, New Oxford.

Retail Stores To Open On Thursday

Gettysburg's retail stores will remain open Thursday afternoon this week, the Retail Merchants Association announced today.

Stores will be open during the afternoon because of the all-day closing on Monday, Labor Day, Charles B. Bender, president of the association, said.

HOSPITAL REPORT

Admissions: Mrs. William Weikert Jr., Gettysburg R. 5; Mrs. Naomi Lauffer, New Oxford; Harvey W. Knouse, 107 E. Lincoln Ave.; Mrs. LeRoy Millhimes, New Oxford R. 2; Elwood Riffe, Thurmont, and Dr. M. T. Dill, Biglerville.

TEACHERS BEGIN WORK THURSDAY; INSTITUTE ENDS

Sessions of the ninety-sixth annual Adams County Teachers Institute continued today at the Gettysburg High School with approximately 300 in attendance. The program will conclude today with the teachers returning to their schools for the opening day, Thursday, when about 8,000 youngsters will resume their studies.

Departmental meetings occupied most of the morning session. Dr. Benjamin D. James, dean of admissions, Dickinson College; Dr. Paul Bixby, associate professor of the Department of Elementary Education, State College; Dr. A. Pauline Sanders, chief of Home Economics Education, State Department of Public Instruction; Dr. Lester N. Myers, chief of Special Education, State Department of Public Instruction; H. C. Pettehoff, chief of Agriculture Education, State Department of Public Instruction; George H. Richwine, secretary of the Retirement Board of the State Department of Public Instruction, were among the speakers at the departmental sessions.

Need For Education

Attorney Donald V. Hock, Allentown, former mayor of that city, was the principal speaker at joint sessions of the institute Tuesday. At the afternoon session Hock told the teachers: "We had better educate our children as they should be educated, because we are at a point where our standard of living, already the highest in all history, can become immeasurably higher. Or we can plunge into the cataclysm of a third world war."

"Statistics, basing their figures on present population trends, tell us that by 1975—and that is not far away—there will be 42,000,000 more people in the U. S. Think of that in terms of our schools. There will be 19,000,000 more members of the labor force by 1975. In addition we will have developed our industrial production to an all time high, producing more, and better, goods. Think of what we can have, if we manage it rightly. And the children you are teaching today will have (Please Turn to Page 3)

FIREMEN SET PRIZE RECORD

When the Gettysburg Fire Department was awarded \$75 for the most men in line with musical organization and apparatus on Monday afternoon in the parade which closed the 30th annual convention of the Adams County Firemen's Association in New Oxford, it ran its total winnings in parade prizes this year, in conjunction with the Blue and Gray Band, to \$1,020. This is a record for parade earnings.

Through an arrangement made early this summer with the band, the firemen agreed to share, on a 50-50 basis, all money won in parade competition. The band headed the firemen in most of the 14 parades in which the Gettysburg department participated.

Win 14 Prizes

The first parade of the season was at Union Bridge, Md., where the firemen won a \$50 prize. Other parades and prizes won either by the band, the firemen or both, were: New Windsor, Md., \$75; Taneytown, Md., \$35; Iristown, \$75; Westminster, Md., \$100; Manchester, Md., \$50; Arcadia, Md., \$75; Emmitsburg, Md., \$50; Abbotstown, \$35; Mt. Airy, Md., \$100; Hampstead, Md., \$75; Thurmont, Md., \$75; Dallastown, \$150; New Oxford (county convention, Labor Day) \$75.

The department established a record of "firsts" this year not equaled in the history of the fire company, according to fire department officials.

JAILED FOR COURT

Sterling Sanders, 60 Breckenridge St., was arrested by borough police this morning on a non-support charge filed by his wife, Betty. He was arraigned before Justice of the Peace John H. Baschore, and held for court September 15 in \$1,000 bail. He was remanded to jail in default of the bail.

Commissioners Accept RCA Bid For County Radio Unit

The Adams County Commissioners today accepted the bid of the Radio Corporation of America, Camden, N. J., for the installation of a two-way radio system linking the various fire companies of the county for civil defense and fire protection.

The bid, which will provide for the installation of two-way radios in the fire trucks and a 750 watt auxiliary power plant at the Gettysburg Fire Company's radio station here, totalled \$13,329.50.

Of that amount the county will pay half, \$6,664.75, and the federal government will pay the other half. Bids listing several alternatives in the equipment were submitted by four radio companies last week. During the week, at the request of the commissioners, Burgess William G. Weaver, county Civil Defense head; Engineer Wilbur L. Plank, and County Solicitor Eugene V. Bullett studied the various bids to determine which of the alternatives was the lowest bid.

Weaver told the commissioners all were agreed that the bid from the RCA corporation was the lowest. Weaver said the 750 watt plant would provide the output needed for the radio communications set, although he said, "we had sort of hoped for a 1000 watt plant because from it we would have enough additional current for more lights. TWO SPECIAL REGISTRATION DAYS ADDED

Two additional days for special registration were added to the list by the Adams County Commissioners—sitting as the county election board—this morning at the court house.

The two additional visits by the traveling registrars will be made in Conewago Twp. on September 8 and in Menallen Twp. on September 11. At both places the registrars will be at the regular voting places from 10 a.m. to 3 p.m. and from 7 to 10 p.m. each day, to permit those who are not registered to vote to sign up before the forthcoming November election.

At the same time the commissioners, "with utmost regret," in the words of the board chairman, Clark L. Fetters, turned down a petition from more than 100 residents of McSherrystown to hold another special registration in that community.

Opinion By Bullett

While the commissioners seemed inclined to honor the petition, an opinion presented by their solicitor, Attorney Eugene V. Bullett, asserted that the election board could not hold more than one special registration in any community. The special registrars have already been at McSherrystown, listing new voters there on Saturday.

According to Bullett's opinion the law states that only one special registration may be held in any one community, but may be held for three consecutive days if wished. Since the McSherrystown registration had already been held it would be impossible to add more days and as a result, Bullett held, the petition would have to be turned down. While Commissioners Fetters and Karl J. Smith voted to turn down the McSherrystown petition, Commissioner G. Ed. Taughinbaugh abstained from voting, noting, "while it appears we have no choice, this is the only opinion we have, and I don't want to be in a position of refusing McSherrystown if there is any possibility an appeal might give another opinion."

Young Marine's Persistence Pays Off; Girl To Wait Year

NEW YORK (AP) There was a somewhat happy ending today to a Korea-bound Marine's last week end here.

Marine Sgt. Hugh E. Kidd Jr., 22, Baton Rouge, La., came here to propose marriage to pretty Patricia Hayes, 20, a switchboard operator. It was his last chance before leaving for Korea.

But despite all his efforts he was unable to find her. Finally, dejected, he had to return to his base, Camp Lejeune, N. C.

Yesterday, however, he received good news: She has promised to wait for him.

The young Marine, who first met the Bronx brunette while she was visiting her sister's home in Baton Rouge a year ago, drove from his camp to New York last Saturday.

He didn't find Miss Hayes at her Bronx home, and on a neighbor's advice went off to Boston to hunt her at a relative's. He made hundreds of calls to Boston Hayeses without finding her, and finally started back to camp on Monday.

Yesterday Miss Hayes returned home—not from Boston, but from Lawrence Harbor, N. J., where she and some girls had a vacation cottage. She found a note from Kidd. It ended:

"Goodbye and God bless you. I'll see you in a year or so or never."

Miss Hayes tried for hours to reach Kidd by long distance telephone. Her employer gave her the day off and let her make her calls from his switchboard. She had no success.

For four more hours, she tried to telephone him from the New York Herald Tribune office.

Minutes after she left the newspaper's office, reporter Judith Crist reached the sergeant by phone. He said he was leaving for a port of embarkation Friday and added:

"I hope she'll wait. I was going to ask her to marry me. I guess if she were sensible she'd have said no, but I can keep hoping she'd have said yes."

Miss Hayes was too confused by the situation to make a clear decision.

"I guess I'll wait out the year, or however long he'll be gone."

State Trooper To Be Club's Speaker

Pfc. E. C. Gallagher, of the Pennsylvania State Police, Harrisburg, will be the speaker Thursday evening at the meeting of the Mothers' Club of St. Francis Xavier Catholic School to be held in the school basement at 8 o'clock. He will have as his subject "Safety" and will present, in addition to his talk, a motion picture on safety on the highways.

The meeting will be the first since last spring for the organization. The refreshment committee will include Mrs. Joseph H. Riley, chairman, Mrs. Joseph Sullivan, Mrs. Edward Rohanna, Mrs. Charles Hemler and Mrs. Robert Neary.

GETS 9 MONTHS AND \$200 FINE IN AUTO DEATH

David S. Jones, 32, Chambersburg, was sentenced to nine months in the county jail, ordered to pay a fine of \$200 and the costs in the case Tuesday afternoon after he had been found guilty by a jury of aggravated assault and battery by auto and involuntary manslaughter.

The sentence was imposed by the Adams County court immediately after the jury returned with its decision at 2:55 o'clock Tuesday afternoon. The jury had spent 45 minutes on its deliberations, retiring to the jury room at 2:10 o'clock to begin consideration of its verdict.

The nine-month sentence and \$200 fine and costs were on the involuntary manslaughter charge. The court suspended sentence on the aggravated assault and battery charge upon payment of costs in that case.

Both charges were tried Tuesday before a jury selected last Friday. The case was the last one listed for trial in the August term of Adams County Court.

The trial grew out of an accident July 6 at the intersection of the Lincoln Highway and Buchanan Valley Roads. Mrs. Stanford W. Weaver, 49, Biglerville R. 1, mother of nine children, was fatally injured in the crash when Jones' car smashed into the Weaver vehicle. Nine others were injured in the collision.

THREE MEMBERS ARE APPOINTED TO REC BOARD

Borough Council Tuesday night, on recommendation of the Board of Directors of the Gettysburg Recreation Association, appointed three new directors of the association, Robert Deardorff, E. Donald Scott and Mahlon P. Hartzell.

Mr. Deardorff was recommended by the Gettysburg School Board to replace Mrs. Sydney J. Poppay, resigned; Mr. Scott to succeed Glenn L. Bream, resigned, and Mr. Hartzell, secretary and former director, to replace Atty. Richard A. Brown, who declined reappointment. Their terms will expire in 1956, 1954 and 1957 respectively, according to Mr. Hartzell.

Council members were invited to attend a meeting of the Board of Directors of the Recreation Association tonight at 7 p.m. in the council chambers, and a meeting of the Board of Health at 8:30 p.m. in the office of Atty. Eugene R. Hartman, president.

Receive Street Complaint

A complaint that the crown of the street is too high in Reynolds Ave., made by John F. Myers, Springs Ave. was referred to the highway committee and Borough Engineer LeRoy H. Winebrenner. At the Durboraw property the sidewalk is lower than the grade of the street and property owners are afraid water will flow over the curbs, Myers said. Cutting back of the curb was authorized.

"If an automobile with five gallons of gas parks on the low side of the street, two gallons of gas will run out of the tank," Councilman (Continued on Page 2)

EXCHANGE CLUB NAMES TRIO TO CONTROL BOARD

The Exchange Club returned to its fall schedule of meetings at Banker's Restaurant Tuesday night with the election of three members to the Board of Control, heard reports at its monthly business session and heard two speakers.

President E. Donald Scott presided. Terms of members of the Board of Control which expired were those of Eugene Weishaar, Richard Sheaffer and George Haenn. Weishaar, who was filling a vacancy caused by the resignation of Carroll McGee, was re-elected. The club elected as new members, in place of Haenn and Sheaffer, Clyde Williams and Paul L. Little.

The reports of the secretary, John J. Slentz, and the treasurer, Carl E. Prosser, showed the following balances: tennis court fund, \$963.15; charity fund, \$400.25; general fund, \$342.

Jay Bringham reported that a state meeting will be held at Grove City September 26.

Here And There News Collected At Random

An interesting article on conservation is published in the current issue of the publication of the Pennsylvania Department of Forests and Waters by Weldon F. Heald. It follows in full as follows:

"I love thy rocks and rills, thy woods and templed hills." So runs one of our most popular national songs.

I have seen Americans stand and sing "My Country, 'Tis of Thee" with tears of emotion in their eyes and selfish exaltation in their bearing.

But I just don't believe it.

The more I see of our blasted rocks, dammed rills, cut and burned woods, and bulldozed hills the more convinced I am that the average American has no consideration for them whatsoever. Or if he does, he seems apathetically unmoved by the destruction around him.

We love wealth, prosperity, and growth. We take pride in a high standard of living. We thrill to automatic gadgets, deep freezers, and jet planes. We boast of a mechanical, electrical, atomic civilization wrapped up in a package labelled, "Liberty, Democracy, and the Pursuit of Happiness—Handle with Care" there may be a superstreamlined Frankenstein inside. 35 Automatic Parking Meters Will Be Installed In Lincoln Square; 1 Hour Parking Limit

New parking meters, of the straight five-cent, one-hour type, are to be installed in Lincoln Square, replacing the old Miller meters, which have been in use in Gettysburg since late 1945.

Borough Council, at its September meeting in the fire engine house Tuesday night, voted to purchase 35 of the fully automatic "Automaton" meters, manufactured by the Duncan Parking Meter Corp. of Chicago, from the Koontz Equipment Corp. of Pittsburgh, the distributors, for \$5 each, less 5 per cent for cash.

James Pettigill, who demonstrated a sample machine for council Tuesday night, promised delivery within 30 days. The meters will be of the completely automatic type. There will be no "handle" to turn after depositing the coin, and the meters "wind" themselves, Pettigill said. A representative of the Pittsburgh firm will supervise the installation, using the present parking meter posts.

Buy Hydraulic Jack

Council also voted to purchase, for an additional \$65, a hydraulic jack post straightener, Borough Engineer LeRoy H. Winebrenner said bent posts are now straightened with a borough tractor, which sometimes breaks them. The method is not satisfactory and he recommended the new machine.

The bid from the Koontz company was the only one received. They will be placed in the borough on a six months trial basis. The borough will retain the old Miller meters and use them for replacements elsewhere in the metered areas. The borough will pay cash for the meters and avail itself of the 5 per cent discount.

The new machines will take five-cent coins only, councilmen voting against five-cent and penny machines. Pettigill told council that "if you take the penny, out of your meters you eliminate 85 per cent of your troubles."

Furnish Instructions

Purchase of the "Automaton" meters was recommended by the Safety Committee, Councilman John Fox chairman. "The meters we have are obsolete," Fox said. "We must do something."

Pettigill said his company will furnish two or three days of instruction (Continued on Page 2)

SOUTH MT. FAIR OPENS TUESDAY DESPITE RAINS

Rain which began falling about 5:30 o'clock Tuesday afternoon and continued until after 7:30 o'clock at times in a veritable deluge, failed to keep crowds away from the opening night of the South Mountain Fair near Arendtsville, or to dampen the enthusiasm of the more than 1,000 persons who braved the elements to see what is probably the best fair ever arranged there.

The Broadway Revue was staged as scheduled in the Memorial Auditorium with a good attendance. The 101 Ranch Boys, who were to have presented their attraction out-of-doors, were transferred to the auditorium where no admission was charged.

Charged No Admission

Because of the heavy rain, fair officials decided to make no admission charge Tuesday night. Everyone was admitted to the grounds free of charge. The large parking lot was wet, but several hundred cars were able to use it in spite of the down-pour.

A brisk wind and bright sun this morning were rapidly drying off the grounds and a record attendance was expected today.

All exhibits were in place, and judging began this morning. Fair officials said entries were much larger than in previous years in many departments.

FIVE COUNTIANS ARE INDUCTED THIS MORNING

Five countians this morning reported to Harrisburg for induction into the armed forces under Selective Service.

The men reported first to the local Draft Board office in the First National Bank building at 7 o'clock this morning and left for Harrisburg by bus.

Gerald E. Brough, Bendersville, was leader for the group and Glenn C. Strausbaugh, Taneytown, formerly of Littlestown, was assistant leader. The others in the group were William H. Reese, Gettysburg R. D.; Robert F. Staub, McSherrystown, and Lester L. Pryor, Seven Stars. Pryor was a transfer to the local board for induction from the Frederick County, Md., board.

The September call brought to 62 the number of county men inducted into the armed forces through Selective Service since the beginning of the year, and brought to 206 the number of men sent into the armed forces by the local draft board since it was re-established in 1945 with the resumption of Selective Service after World War II.

127TH YEAR FOR SEMINARY IS OPENED TODAY

The Gettysburg Lutheran Theological Seminary, oldest Lutheran seminary in the nation, began its 127th year today with a special service in the Church of the Abiding Presence this morning.

Dr. Harry F. Baughman, president of the seminary, delivered the sermon on "No Cunning Words—Power" taking his text from First Corinthians, second chapter, first to fourth verses. Liturgist was the Rev. Reginald Deitz.

Approximately 40 new students were present for the opening including two Adams County men, Elsworth R. Bortner, Orrtanna and Harry E. Emlet, New Oxford. An exchange student from Germany is also listed among the student body.

There are 47 members in the Senior class and 32 in the Middle class including three women students. The total student body will be about 120, not including post graduate students who will report next Tuesday.

Rev. Francis E. Reinberger was introduced at the service as the successor to Rev. Dr. Harvey D. Hoover who retired as a member of the faculty last spring.

It was announced that a service dedicating the new dormitory will be held next Tuesday afternoon at the seminary with the public invited to attend the service and tour the building. A reception will be held following the service on the lawn of President Baughman's home. Dr. Chester S. Simonton, president of the board of trustees will officiate at the dedicatory service.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. William Weikert Jr., Gettysburg R. 5, announce the birth of a daughter at the Warner Hospital today.

Mr. and Mrs. Paul J. Shenk, Mt. Holly Springs, announce the birth of a son last Saturday at the Carlisle Hospital.

A daughter was born Saturday at the Carlisle Hospital to Mr. and Mrs. Clyde M. Hartzell, Mt. Holly Springs.

Mr. and Mrs. George Stoner, Mt. Holly Springs, announce the birth of a son Sunday at the Carlisle Hospital.

Mr. and Mrs. Daun R. Miller, York Springs R. 2, announce the birth of a son at the Carlisle Hospital on Sunday.

Due to holiday on Labor Day, the Gettysburg stores will be open all day Thursday, September 4. The Gettysburg Retail Merchants Association.

GIRL STRICKEN WITH POLIO IN LITTLESTOWN

Miss Mary Ritter, 12-year-old daughter of Mr. and Mrs. Luther W. Ritter, 405 E. King St., Littlestown, has been stricken by poliomyelitis.

The child, the fifth in the county to be reported as having the disease this summer, became ill several days ago. The illness was diagnosed as polio Tuesday night.

Suffering from what was described as a "mild" case, the child has some paralysis of the throat, causing an impediment in her speech and causing difficulty in swallowing. This morning attempts were being made to have her admitted to a hospital in Baltimore. She is one of four children in the family, ranging in ages from seven to two.

Brother Was Killed

Her father, former head of the Littlestown school board and now secretary of the board, is an official of the Littletonian Shoe Co. in Littlestown.

A brother of Miss Ritter, Richard S. Ritter, then seven, was fatally injured when struck by an airplane propeller near his home in 1950.

Other youngsters in the county suffering from polio include Barbara J. Brown, 14, Littlestown R. 1; LeRoy C. Kress, 3, Hanover; Thomas Richard Roth, 15 months, South St., and Joseph Clabaugh, 8, 140 Chambersburg St. William C. Horne, 10, grandson of Mr. and Mrs. Norman Storrick, W. Lincoln Ave., who was admitted from here with the disease, is not counted as an Adams County case because he is believed to have contracted the disease before coming here.

TWO MARYLAND YOUTHS HELD IN LOCAL THEFTS

Two Maryland youths were arrested for Justice of the Peace John H. Basore late Tuesday afternoon on larceny charges for the alleged theft of tires, wheels and other articles from parked cars at the Warren Chevrolet, Lincolnway East, and another on burglary and larceny charges for the alleged theft of a radio from a car at the Roy Hankey Garage and Service Station, a mile east of Gettysburg on the Lincoln Highway.

Rhudy Lee Cregar, 20, and Elmer Cecil Cregar, 22, both of Silver Spring, Md., are in the Adams County jail in default of \$1,000 bail each for hearings on the larceny charges Friday afternoon. They are charged with taking two wheels and tires from a 1942 Oldsmobile at the Warren Chevrolet, a tire from a 1948 Chevrolet and miscellaneous hubcaps and other items at the same place on May 2.

Arnold Dwight Cregar, 18, of Emmitsburg R. 2, was released in \$1,000 cash bail furnished by his father Tuesday afternoon for appearance before Justice Basore Friday afternoon on charges of stealing an automobile radio from a car at the Hankey Service Station on August 13.

Arrested in Maryland
State police of the Gettysburg substation, who conducted the investigations which led to the arrest of the three, said the Silver Spring youths were taken into custody by Montgomery County, Md., police on fugitive warrants and turned over to police here. Arnold Cregar was arrested by Maryland State Trooper Kenneth Bond of Emmitsburg.

Pennsylvania state police said that through the cooperation of Trooper Bond they were able to recover the radio stolen at the service station.

A fourth youth, a juvenile, also from Maryland, was taken into custody, but was later released in care of his parents. He was connected, police said, with the Hankey burglary and larceny.

4 NEW MEMBERS ON FACULTY OF Y. S. HIGH SCHOOL

Four new instructors will be serving on the faculty of York Springs High School when classes begin Thursday morning. The staff for the elementary schools in the North Adams Joint School District remains the same as last year.

The new teachers at the high school are: Miss Lorraine Rarick, commercial subjects; Miss Marjorie Seidel, English; William Drylie, geography, health and physical education; and Miss Elizabeth Ann Crouse, vocal music. The position of art instructor remains to be filled.

Completing the teaching staff for the joint district are the following in the high school: Miss Eleanor Wolfinger, foreign languages and history; Mrs. Jean Eberle, home economics; Charles Kennedy, science; Clyde Kennedy, social studies and mathematics; Dale Roth, instrumental music and mathematics; Carroll Slothour, agriculture and industrial arts; Mrs. Vesta Smith, school nurse; and Wilbur Cassel, supervising principal.

field for county aid totalling \$328.02. The money will be spent on proposed improvement of Franklin St. in Fairfield, according to the petition. Similar approval was given to a request from Freedom Twp. for \$698.88 in county aid to be used in grading and placing stone where needed on roads in the township.

This morning the commissioners began hearing appeals from assessments in various parts of the county. With 35 appeals listed the hearings will be scheduled over the next three weeks, probably on the regular Wednesday meetings of the board at the court house. Clarence C. Smith, commissioners' clerk, said the number of appeals was "about normal for any given year." He added that the appeals were scattered throughout the county with no district having any large number. There were 55 appeals last year. In 1944 the all-time low was reached when there were no appeals.

Appeals being heard today were one from East Berlin, two from Butler Twp., one from Cumberland Twp. and two from Franklin Twp. An appeal by a Gettysburg resident scheduled for today was postponed until Thursday morning at the request of the petitioner.

POSTPONE CONCERT

The band concert scheduled for the south end of town by the Blue and Gray band for Thursday has been postponed because of the South Mountain Fair.

struction for a local meter maintenance man, either here or in the company's shops in Pittsburgh, paying all expenses except transportation. Borough Police Officer Charles W. Culp Jr. is in charge of maintenance.

Councilman Fox said he had conducted a survey and talked with many residents of Gettysburg. "Most of them would rather have the one-hour, instead of the two-hour, meter," he said. Councilman John D. Teeter said he was in favor of one-hour meters. He said many persons take unfair advantage of the two-hour meters and keep others from parking.

On motion of Councilman John Millard, the borough's parking meter ordinance was amended to provide for the one-hour meters. The present ordinance, adopted when the Miller meters were installed, calls for two-hour metered parking.

Will Of Mrs. Marshall Probated In Frederick

The will of Mrs. Beulah H. Marshall of Thurmont, who died several weeks ago, leaves \$50 to the pastor of St. Anthony's Church, near Emmitsburg, for masses for the deceased. Members of the Howard Wetzel family.

Probated in Orphan's Court, Frederick, the will directs that all property be sold and converted into money. After payment of several bequests, the residue is to be set up as a trust fund for a son, Earl Francis Marshall, Thurmont, which shall terminate on his 21st birthday.

Walter Wilhide, a brother-in-law, was named executor and trustee of the estate.

CASTEL GANDOLFO, Italy (AP)—Pope Pius XII received Michael A. Musmanno of Pittsburgh, associate justice of the Pennsylvania Supreme Court, in special audience yesterday.

Tropical Rain Pounds Korean Battlefront

SEOUL, Korea (AP)—A tropical storm grounded U. N. warplanes today and lashed infantrymen on the Korean battlefront with up to 3½ inches of rain.

U. S. Fifth Air Force headquarters reported only weather reconnaissance planes took off.

Allied fighter-bombers bombed an airfield yesterday near Sinanju which the Fifth Air Force said the Communists were rebuilding. The Sinanju field lies about 155 miles north of the Western Front and would give Red jet pilots a base within range of the front.

Pilots reported 70 direct bomb hits on the runway. They did not see any Red planes, the Air Force added.

Seoul Is Hit

The storm battered Seoul during the night as it moved northward. An Army weather officer said wind gusts reached a velocity of about 69 miles an hour.

A U. S. Eighth Army staff officer said Communist probes and patrols have increased across the front the past two days. He said the Reds probed 13 times across the front at Bunker Hill, Old Baldy, Hill, the Pukhan River, Heartbreak Ridge and the Punchbowl.

None of the Red probes developed into more than brief skirmishes. In the biggest, Allied troops at an advance position near the Pukhan River last night drove off about 100 Chinese in an hour.

The Eighth Army reported it inflicted 10,052 casualties on the Communists in August, about 1,000 more than in July. The total includes 5,028 killed, 4,974 wounded and 50 captured.

Resume Truce Talks

MUNSAN, Korea (AP)—The deadlocked Korean truce talks resume tomorrow, ending the fifth straight week-long recess.

The U. N. and Communist armistice delegations have met only once a week since July 26. A sixth recess may be called tomorrow when the negotiators gather at Panmunjom at 11 a.m. (9 p.m., Wednesday, EST).

A major shift in the Red stand on the war prisoner exchange seems needed before truce teams can make any progress. For months both sides have refused to budge from their widely divergent stands on that stumbling block.

EXCHANGE CLUB

risburg authorities as Adams County Service Club chairman for Pennsylvania Week, said the Exchange Club had been invited by the Lions Club to attend a joint meeting of all service and civic organizations at St. James Church October 13.

Ernest Simpson told club members that the 1952 Glidden Tour will pass through Gettysburg on September 22, enroute from Harrisburg to Washington, D. C. A vote of thanks was given Roy Goldsmith for use of his cottage for the annual "whip" party last week.

Dr. Albert Roberts, Exchangeite from Alton, Ill., enroute to attend the national convention in Atlantic City, was a guest and brought greetings from the Illinois Exchange Clubs. He said the Exchange Clubs next year would be asked to sponsor awards to 80-year-old residents who have performed outstanding service to their respective communities.

Tells Of Railroad

Arthur Mayberry, New York City, who will be "stage director" of the Western Maryland Railway Co.'s reenactment of Lincoln's visit to Gettysburg on October 18 during the observance of Pennsylvania Week, spoke on the early history and the development of railroads in the United States. Railroadage, he said, started in England 125 years ago. The Western Maryland is observing its 100th anniversary this year. Its predecessor, the Baltimore Carroll and Frederick Railroad, was chartered in 1852. He related that President Lincoln came to Gettysburg for the dedication of the National Cemetery over what is now the Western Maryland.

STORM CAUSES

Way" became again the "Flickering Way" when water seeped into the lines. Unfortunately, light company officials said, the short apparently dried out before it could be located and the lights resumed their brilliance shortly after having become very dim. The United Telephone Co. reported a "scattered few" telephone lines were put out of operation by the storm.

A number of trees were blown over in Emmitsburg when a rain and wind storm hit there between 5:30 and 6 o'clock Tuesday evening. Streams rampaged across the ends of N. and S. Seton Aves. and cut off traffic.

A tree at the property of George Rosensteel, S. Seton Ave., was blown across the street, halting traffic until it could be removed. Between 15 and 20 of the trees at St. Joseph College were damaged, with a number of them destroyed.

A number of trees in yards of private homes through the town and a number of grape arbors were blown down or badly damaged. Flat Run and Tom's Creek both flooded across the road, halting traffic on Route 15.

Mr. and Mrs. Bernard Burke and granddaughter, Patty Burke, and Mrs. Elizabeth Nieman, Cumberland, Md., were Labor Day week end guests in Biglerville at the home of Mr. and Mrs. Clifford Bucher and family. They also attended the Buchanan Valley picnic on Saturday.

The Centenary EUB Church, Biglerville, will hold a hymn sing at 7:30 this evening. At 8 o'clock the Women's Missionary Society will meet in the basement of the church. Also at 8 o'clock the men will meet in the sanctuary in order to organize a Men's Brotherhood. All men are urged to attend this meeting. At 9 o'clock there will be a meeting of the committee for Evangelism.

Dr. M. T. Dill, Mrs. Edna Myers and daughter, Gail, Biglerville, have returned from a week's stay at Ocean City, Md. They were accompanied home by Mr. and Mrs. Paul Dugan and children, Patty and Robert, also of Biglerville.

The Biglerville Community firemen will hold their regular meeting Thursday evening at 8 o'clock.

Mrs. George Deardoff was a recent overnight guest at the home of Mr. and Mrs. Wilmer Deardoff, York. Mrs. Deardoff was accompanied to her home in Biglerville by her son and daughter-in-law who remained with her for a few days.

Because of the South Mountain Fair this week the Ira E. Lady Post No. 262 of the American Legion, Biglerville, will not meet this week.

Mercury Drops 30 Degrees After Rain

The mercury touched 90 degrees here Tuesday afternoon and then nosedived to 60 during the night after a wind and rainstorm that added 1.59 inches to September's total rainfall.

Accompanied by an electrical display the rain began here about 5 o'clock but later developed into a torrential downpour driven by changing wind. The month's current rainfall total here is 4.46 inches. Normal rainfall here for September is 3.52 inches.

MRS. GRAFF DIES

WILLIAMSPORT, Pa. (AP)—Mrs. Flora Scott Graff, 87, widow of George E. Graff, founder of the Sun-Gazette Publishing Co., died at her home here today after a long illness.

She was vice president and director of the firm which publishes the Williamsport Sun and the Williamsport Gazette-Bulletin.

climan L. D. Shealer said. Council adopted an ordinance making W. High St. from S. Washington to Howard Sts. and N. Fourth St. from York to Broadway through streets and directed that stop signs be erected. An ordinance ordaining an alley extending from John St. to Queen St. was tabled until the alley is graded. Council voted to accept a deed to property over which the alley will extend as soon as grading is completed.

Deeds Land To Town

An ordinance was adopted ordaining West St. from W. Middle to Chambersburg St. for a width of 50 feet. Deed to extra land on the west side was received from Glenn L. Bream, it was reported.

An ordinance requested by the safety committee providing for no parking on the west side of N. Washington St. from the railroad to Lincoln Ave. was not presented, and Borough Solicitor Eugene V. Bulleit and the ordinance committee were requested to have it ready for the next meeting. No parking is already in effect on N. Washington St. to the railroad.

The highway committee was authorized to buy two tires for highway department trucks. Council authorized the rental of a safety deposit box for new bonds purchased by the borough. On request of Councilman George D. March the bonds were registered and their numbers included in the minutes of the council.

The borough engineer was authorized to paint white center lines on the new highway on Steinwehr Ave. from the Taneytown Rd. to the borough line and with state permission have "no passing zone" signs erected.

Wants Corner Rounded

Council was informed that Raymond Singlet, Taneytown Rd. and Steinwehr Ave. had offered to give land to have a corner rounded back at his property. Winebrenner said, however, that this was government land and he would take up the matter with Dr. J. Walter Coleman, superintendent of the National Park.

Council referred to Burgess William G. Weaver a request from Councilman John Fox that a barn on property owned by Mrs. Ada Reynolds, adjacent to Stratton St. be removed. Complaint was made by Councilman Kenneth Johns of property on S. Washington St. which he said was hazardous.

Councilman Fox said he would "like to know whether borough residents could take refuse to the borough dump without paying a fee of 25 cents," or being called "some very nice things."

Councilman Hartzell said that people going to the dump drive over a part of the Plank property, and in his opinion could be charged. Complaints were also made that persons take stumps and other refuse to the dump and do not "push them over" out of the way. The complaints were referred to the health committee.

Complaint was made that water collects at N. Stratton and Water Sts. near the Elker property. The borough engineer was directed to raise and round the curb and install a new drainage grate. Mr. Winebrenner also said he would raise the grade opposite the Meade School on Springs Ave., where complaints said water collects in a low spot.

Another "cutback" authorized was at the Baltimore St. and the alley extending along the Murphy store. The highway department was authorized to resurface an alley south of High St. extending from Stratton to S. Washington Sts. and to repair Wall St. The Reading Railroad will be asked to repair Railroad St. where it removed its tracks near N. Washington St. recently.

No action was taken on a bid received from Earl Richardson, Washington St., to purchase the old police motorcycle for \$60.

Property Transfers

Jesse D. and Ruth M. Clapsaddle, Mt. Joy Twp., sold to John D. and Alda J. Clapsaddle, same place, a property in that township.

Mrs. W. K. Myers, Dickinson Twp., Cumberland County, sold to Charles S. and Cora E. Myers, Reading Twp., a four-acre property in Reading Twp.

Ray J. and Elizabeth L. Snyder, Arendtsville, sold to Ralph C. and Jean L. Unger, Littlestown, a property on the south side of E. King St., Littlestown.

George W. and Rebecca H. Gingell and Thomas R. and Jane R. Gingell, Liberty Twp., sold to Arthur B. and Geraldine M. Ross, Blue Ridge Summit, an 88-acre property in Hamilton Twp. adjoining the Gingell Brothers Quarry.

Samuel J. and Grace E. Hoffman, Hanover, sold to Earl D. and Dula M. Sentz, New Oxford, a property in Reading Twp.

BACKS INTO COLLISION

A minor accident occurred Sunday evening on the Oxford Road, south of Mt. Holly Springs. Anna B. Ford, Gettysburg R. 4, had stopped her sedan on the highway to turn into a lane nearby. Charles H. Fritz, Hancock R. 2, Md., who was following her, stopped his vehicle. Then, state police say, she backed her vehicle into his, in an attempt to get into the lane she had overshot. Damage to his car was estimated at \$100. She will be prosecuted with failure to yield one-half the highway, state police report.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO

I wish to announce that I will open a first class Millinery place on Baltimore street, a few doors from the Alleman Hardware Company, where I expect to handle a nice line of trimmed and untrimmed goods, with prices to suit all. Anna Reck.

Local Miscellany: Butchers in neighboring towns are already supplying their customers with fresh pork and sausage. Our butchers should be doing the same thing.

The rocking chair chance off by Miss Carrie B. Young, for benefit of Woman's Relief Corps of Corporal Skelly Post, of this place, was won by H. H. Merz.

Plenty of vegetables and fruit, with the exception of peaches, is offered on our streets.

"Pluto," the fine young horse owned by J. L. Butt, Esq., of this place, won in the 2:30 race at Washington last Wednesday. "Pluto" has been running right along and is a valuable horse to Mr. Butt.

A move is on foot to establish a printers' union in Gettysburg.

A few hands commenced work at the S. L. Johns cigar factory on York street this morning. When running at its full capacity, which will be in a few days, 50 hands will be employed. Hamilton Bucher is the foreman.

The Fire Company will drill tomorrow evening at 6:30. All members are requested to turn out.

Gervus W. Myers has been appointed night clerk at the W. M. freight station.

The public schools of the Borough opened on Monday.

Isaac Hallen is moving his stock of clothing from the First National Bank building to the room formerly occupied by him in the Spangler building.

County Treasurer Penrose Myers, who is always in pace with the times, has had a sign put up in front of his souvenir room, Chambersburg street, which is in keeping with his business qualifications. The sign bears the word "Souvenir" and is surrounded by electric lights. It is the first of its kind in town.

The Daughters of Rebekah cleared \$16.40 on their picnic held at Hudson's Park on the 29th ult.

The strike situation remains unchanged and coal prices soar high. L. M. Bucher has had a new bay window put in his drug store on Chambersburg street.

Marriages: Deatrick - Beamer. - Sept. 2nd, at Bendersville, by Rev. S. A. Diehl. John W. Deatrick to Miss Iora Beamer, both of Menallen township.

Kennedy-Delap. - Aug. 30th, at Carlisle, by Rev. Benj. A. Mosser. Thomas Kennedy to Miss Emma M. Delap, both of Bendersville.

Miller-Miller. - Aug. 31st, at Idaville, by Rev. Oscar H. Gruver. Garfield Miller, of Idaville, to Miss Jennie Miller, of Aiga.

Tucker-Sowers. - Aug. 31st, at York Springs, by Rev. H. F. Cares. Willie T. Tucker to Miss Etta O. Sowers, both of Menallen township.

Wildasin-Clouser. - Aug. 27th, at Littlestown, by Rev. F. S. Lindaman. Jacob W. Wildasin to Miss Emma V. Clouser, both of Union township.

A New Orphanage: Paradise Farm, near Abbottstown, in Paradise township, York county, has been purchased by the Roman Catholic diocese of Harrisburg, and will be used for a boys' orphanage. The property contains 200 acres. The funds donated are not yet available, owing to some legal technicalities. It is proposed to train the boys at the orphanage in scientific agriculture and fit them to work with their brains as well as their hands.

Horrible Accident: A most horrible accident occurred Saturday afternoon about 5 o'clock by the explosion of the boiler of the peanut roaster owned by H. Amos Delap, stationed at the First National Bank corner, and being attended by Mrs. Delap, by which the latter narrowly escaped death and is now in a critical condition.

The accident was due to a small boiler having burst from the lack of water and causing the boiler to expand. Mrs. Delap was in a stooping position at the side of the machine and was in the act of extinguishing the flame. She was thrown seven feet from where she was standing.

ANTHOLOGIES

There are no more entertaining and inspiring books than good anthologies. They may be had of poetry and prose, and many combine the two. They are ideal for the small library. Lover of books that I am, I have a long shelf of many, but there is one in two small volumes that I carry with me on vacations and long trips. It is published by the Beacon Press in Boston and is compiled by Robert French Leavens.

In this anthology you will find some of the finest selections of prose and poetry ever put into two small volumes. Many a favorite piece I discovered that I thought but few ever read. It is rightly named "Great Companions," and truly they are exactly that. The selections are short and the books are indexed and arranged so that many separate headings are given for grouping such as "The World," "The Conduct of Life," "The Individual."

The fine thing about an anthology is that it stimulates one's mind for further tasting of the author or poet quoted. Many of the author's great sayings are included in these useful anthologies. They are wonderful books to take up at odd times, especially before retiring at night. And they can be very happy companions on a long trip or a sea voyage.

These books are really printed scrap books of the world's great thoughts, and when carefully selected they form a small library in themselves. They are real investments, calling for but a small sum to own and love. There are other types of anthologies where extracts from a single writer are selected. I have many of these—Stevenson, W. H. Hudson, Kipling, Shakespeare, and many others. Recently I purchased an anthology, or extracts, from the many books by Dr. Albert Schweitzer which gave me a fine review of this great man's mind.

Outside the Bible, a dictionary, a good cook book, and a copy of "Huckleberry Finn," you couldn't do better than to invest in a fine anthology and be well on your way to the happy building of a useful and inspiring library!

Tomorrow Mr. Adams will talk on the subject: "Moods."

THE REWARD

"Tis wearying to dust and sweep,
The mother said,
"And when the day is done to creep
Worn out to bed."

"Tis wearying to starch and press,
What children wear,
And every pretty frock and dress
Keep in repair."

"But time and toil to hold them near
I can afford,
To hear them call me, 'Mother, dear,'
Is sweet reward."

"When 'God, bless mother, dear,'
They say
To end their prayer,
The weariness at close of day
Seems good to bear."

EISENHOWER IS DRAWING HUGE CROWDS IN DIXIE

By DON WHITEHEAD

MIAMI, Fla. (AP) — Dwight D. Eisenhower's sweep across Dixie

was booming in such spectacular fashion today that it posed the question of just how solid the Democratic South will be in the November election.

The GOP presidential nominee was drawing huge crowds at every stop along his campaign route. But none could say whether it was due to personal charm or political appeal — or a combination of the two.

About 150,000 persons turned out to greet Eisenhower yesterday in Atlanta, Ga., Jacksonville, Fla., and here in Miami.

Cheers, Rebel Yells

There were prospects of more big turnouts today in Tampa, Fla., Birmingham, Ala., and Little Rock, Ark. — the last stops on his two-day, 3,400-mile journey from New York through the South.

The thousands who heard Eisenhower speak burst into cheers and rebel yells when he accused the Truman administration of trying to cover up a "mess" of crime and corruption.

They cheered when he called for "common woodshed honesty" in government, and deplored the "whole sordid story" of corruption in the Bureau of Internal Revenue.

They applauded heavily when he said it wasn't enough to "change a face or two" in the administration and that: "No change of goods in the showcase can make the rotten goods back in the warehouse any better."

Large Miami Crowd

And the harder he whiplashed the Democratic leadership in Washington, the better his listeners seemed to like it, if their applause was any measure.

Eisenhower hammered at corruption in government on this first drive into the South and he made it clear he had crossed the Mason-Dixon Line with hopes the South would support him in November.

He wound up his first day's tour speaking to a record 12,000 or more persons at the bay front park last night, the largest crowd ever to hear any candidate speak in Miami.

GRAND JURY IS STARTING OIL MONOPOLY CASE

WASHINGTON (AP) — A federal grand jury seeking evidence of an alleged international oil monopoly assembled today to start sifting through the records of major petroleum operators.

The grand jury inquiry was organized at the request of Atty. Gen. James P. McGranery, who said a Justice Department investigation of more than a year indicated that seven large companies dominated the world oil market.

McGranery named Leonard Emmerglick, a top Anti-Trust Division attorney, to head a special Justice Department staff to present the case before a jury here. Emmerglick is best known for his successful prosecution of the Aluminum Corporation of America several years ago on anti-trust charges.

Records Hauled In

The government has subpoenaed the records of 21 large oil companies for grand jury examination. Most have responded with the requested data. Some, including Standard Oil of California, have obtained extensions of time in which to present the requested information.

Others, led by Standard Oil of New Jersey, are resisting the subpoenas on grounds that they should not be forced to disclose corporate records which might eventually fall into the hands of competitors.

Charge Collaboration
The Federal Trade Commission, in a long-suppressed report recently made public by a Senate committee, said that seven companies had collaborated to divide world markets and fix prices.

The firms allegedly involved were named as Standard of New Jersey, Standard of California, Socony Vacuum Oil Co., Gulf Oil Co., the Texas Co., all American-owned, and Anglo-Italian Oil Co., Ltd., in which the British hold controlling interest, and Royal Dutch Shell Co., British-Dutch firm.

Mailmen Want To Give Better Service

NEW YORK (AP) — The National Association of Letter Carriers wants Congress to order restoration of more than one-a-day residential mail deliveries.

The AFL union, in a resolution unanimously adopted on Monday at the opening session of its 30th biennial convention, also rapped Postmaster General Jesse M. Donaldson for curtailing deliveries.

William C. Doherty, president of the association for 19 years, called for replacement of Donaldson in a speech just before the union adopted the resolution.

Peel a tomato and seed it; chop fine. Mix with two mashed avocados, a tablespoon of vinegar, a little minced onion, and salt and freshly-ground pepper to taste. Serve on toasted buns.

Youth Killed When Car Strikes Truck

DEEPWATER, N. J. (AP) — One brother was killed and another injured early Tuesday when their car crashed into the rear of a truck at the entrance to the Delaware Memorial Bridge.

State police identified the victim as Patrick W. O'Connor, 22, of Holly. He died a few minutes after being admitted to Delaware Hospital, across the bridge in Wilmington, Del.

O'Connor's 15-year-old brother, Roderick, was admitted to the same hospital with cuts and bruises.

Their car rammed the rear of a tractor-trailer truck loaded with lumber. The driver of the truck, Melvin Nock of Craddockville, Va., was uninjured, police said.

KENNETT SQUARE, Pa. (AP) — State Sen. George B. Scarlett (R-Chester) announced Tuesday he is withdrawing from his race for reelection.

The senator, who has served 16 years in the office and was seeking his fifth term, said he had been forced to make the decision because of a heart condition.

Black Blasting In Mines Decreasing

WASHINGTON (AP) — The use of "highly dangerous black blasting powder" in coal mines has been steadily decreasing, the Bureau of Mines reported on Monday.

At the same time, the report said, the use of explosives which the bureau has declared permissible has increased.

Black powder, said John J. Forbes, director of the bureau is still being used in many small mines despite the fact that it can "readily ignite explosive gas and coal dust."

Forbes made his remarks in announcing publication of a list of explosives and blasting devices which have been approved by the bureau up to Dec. 31, 1951.

HIGHWAY WORK IS CURBED BY LACK OF STEEL

HARRISBURG (AP) — Highways Secretary E. L. Schmidt said Tuesday the steel shortage is reaching the "desperate stage" for highway construction.

"If it doesn't ease up soon, we may have to grind to almost a complete halt by spring," he told a newsman. "We're short 23,000 tons of steel right now for contracts that have been let or projects under construction."

The department, he said, recently asked for an allocation of 25,000 tons for projects next year and was given only a little more than 6,000 tons by federal priority officials.

"I can't understand that," said Schmidt. "They give steel for auto mobiles to run on roads for which they won't give us steel to build."

Cities One Instance

The secretary cited an example:

Flowers

ALL OCCASIONS
CREMER'S
HANOVER, PA.

A \$2,964,000 contract was let in November, 1950, for construction of three miles of highway on Rt. 18 between Beaver Falls and Koppel in Western Pennsylvania.

The road is designed to hook up with the Homewood Interchange of the Pennsylvania Turnpike to relieve traffic now going over antiquated highways.

The project is virtually completed except for three bridges. Steel for those bridges wasn't available to meet the completion deadline of July, 1952 and Schmidt said: "It doesn't look now that there will be any traffic on there until July, 1953. That road is not worth a nickel to the public all this time."

He added that there are nearly a dozen of such major projects being held up by lack of steel, plus countless smaller projects requiring less steel.

Bridge "Tombstones"

"Those bridge piers all over the state are standing up just like tombstones—and we have nothing to go on top of them."

Schmidt assailed federal allocation quotas as "unfair."

"You can buy steel in the grey market at exorbitant prices," he added. "You can buy steel from foreign governments—the same steel we shipped to them under the Marshall Plan and now coming back here with higher price tags. We can't afford it."

A small turkey, weighing from four to eight pounds, is a good buy for a small family. Roast it for Sunday dinner, then use leftovers during the week for salads, sandwiches, or a casserole dish.

Truman Accuses GOP Of Risking New War

ABOARD TRUMAN TRAIN (AP)—President Truman openly accused the Eisenhower command Tuesday of increasing the risk of atomic war by "talking loosely about liberating the enslaved peoples of Eastern Europe."

He declared that John Foster Dulles and other "masterminds" of the Eisenhower campaign are playing "cruel, gutter politics with the lives of countless good men and women behind the Iron Curtain."

Truman declared at one point: "It is not an easy thing for me to see their respected candidate—who knows better—being used as a spokesman for selfish politicians who will say anything they think will help them to power."

"Surely the Republican candidate must know the Iron Curtain and the Kremlin walls will not come tumbling down from a few blasts on a campaign trumpet."

WELFARE MEET ON THURSDAY IN CARLISLE

The annual meeting of the Pennsylvania Welfare Conference of Region 8, of which Adams County is a part, will be held Thursday at St. Paul's Lutheran Church, Carlisle.

Registration will be at 9 a.m. and the first session will begin at 10 o'clock. The address of welcome will be given by Rev. S. B. Dougherty, Carlisle. Rev. Albert Shenberg, Carlisle, will preside. A panel discussion entitled "The Right of the Child to Grow" will be conducted by Jane Petach, assistant executive secretary of T.B. and Health of Dauphin and Perry Counties; Rev. John Hilton, rector of St. John Episcopal Church, Carlisle, and Peter Carter, director of health and safety in York public schools. Chairman of the panel will be Mrs. Lorna

Sylvester, assistant director of Harrisburg Child Guidance Centre.

At 11:30 a business session will be conducted and at 12:15, luncheon will be served at the church. Presiding at the luncheon will be Rev. E. P. Truchsess, pastor of St. Paul's Lutheran Church. The invocation will be given by Rev. Frederick D. Wertz, Carlisle Methodist Church.

Mrs. Evelyn Freeman, of Carlisle, will preside at the afternoon panel at 2 o'clock on "When the Rights of the Child Are Threatened." Other members of the panel will be Judge Dale F. Shugart, ninth judicial district, Carlisle, who will represent the court, and Paul Birkler, executive secretary of Children and Family Service, Lebanon, who will represent the community.

All residents of Gettysburg interested in welfare work are invited to attend the conference.

Oscar Rosenberger, Dillsburg, was sentenced to 15 days in the Cumberland County Jail and fined \$50 on a drunken driving charge in Cumberland County Court at Carlisle Tuesday.

YORK SPRINGS SCHOOLS OPEN ON THURSDAY

The North Adams Joint School System will open Thursday morning at 8:30 o'clock with an enrollment of approximately 600. Wilbur K. Cassel, York Springs, supervising principal for the joint, said today.

Of the expected record enrollment, approximately 200 will be in the junior-senior high school.

Bus routes transporting the children to the various schools will be "approximately the same" as they were last year, Cassel said, although there are plans to eliminate a route to East Berlin and one to Biglerville, with the youngsters formerly served by those buses traveling by other nearby routes. Potential changes in the bus routes will be made after the opening of school and the actual location of the students is determined. Changes will be made as needed.

Schools To Be Crowded
Most of the schools in the system will be crowded to a large extent, Cassel said. In addition to the high school-elementary school at York

Springs, the jointure will operate a two-room school at Idaville and one-room schools at Millers, Whitcomb's View, Blackberry, Harbold's, State Road and Mechanicsville.

In addition to the high school-elementary school at York Springs the jointure has also rented the Boy Scout building there for use as a band room.

Football will be dropped as a sport at the high school this year Cassel said. Decision to drop the sport was made, he added, because the school was unable to meet sufficient teams of its own size and "constantly playing much larger schools made it very difficult for the team." Intramural sports will replace football for the time being, while soccer will probably be adopted in the future as a fall sport.

73 Are Registered At York Springs

Two registrars sat to receive registrations Tuesday evening in the York Springs fire hall. A total of 73 persons were registered, 50 Republicans, 21 Democrats and 2 Non-partisan. Thirteen Republicans, 13 Democrats and 2 Non-partisan were registered from York Springs Borough; 16 Republicans, 4 Democrats from Latimore Township; 10 Republicans, 3 Democrats, Huntingdon Township; 2 Republicans, Reading Township; 2 Republicans, Tyrone Township; 2 Republicans, Biglerville.

The sixth annual National Hockey League All Star game will be played in Detroit's Olympia Stadium on Sunday, Oct. 5.

AWAIT RULING

The York Springs baseball team of the Bi-County League won three out of four in the semi-finals winning from Centerville by a score of 6-5 on Thursday evening. Their schedule for the finals has been temporarily held up because of the possible ineligibility of one of their players. A ruling will be made this evening and if favorable they will probably enter the finals with Plainfield on Thursday.

MICHAEL J. BOLLINGER HORACE B. BROWN JOHN R. SAUTER Incorporators

Swope, Brown & Swope 106 Baltimore Street Gettysburg, Pennsylvania Attorneys for Incorporators

ATLANTIC CITY, N. J.—Tuesday was facts and figures day for 82 lovelies longing to don the mantle of Miss America.

Contestants for the nation's best-known beauty title spent the day registering, reading over the rules and weighing their chances.

Many of the girls were held up overnight by high winds and heavy rains from an off-coast hurricane adorning pageant headquarters at the Haddon Hall Hotel.

Tuesday they were on display in a gala Boardwalk parade, a preliminary to the start of actual com-

East Berlin

EAST BERLIN—A group from the Hanover Fraternal Order of Eagles met at the Peter C. Brown cottage at the west end of East Berlin on Sunday.

A marriage license was issued at York recently for Mervin Gilbert Myers son of Mr. and Mrs. Charles S. Myers, R. 2, and Miss Dorcas Louise Spahr, Dover R. 2. Mr. Myers, a graduate of the local high school in 1936, has been farming at his father's place west of town for some years.

A number of local persons were among those who attended the annual reunion of the Hollinger family at the Holzschwamm Church Grove northeast of town.

Mrs. Robert Sealover spent several days at the Church of the Brethren Camp Swatara, near Bethel, during which time her daughter, Carolyn, was cared for by their next door neighbor, Mrs. Mary Stoner.

Grace and Mary Pauline, younger daughters of Mrs. Chester F. Hull, united with a large group of relatives at a recent birthday party for their cousin, Lester Gross, at the Richcreek home, near Dover.

Frances, eldest daughter of William and Ruth R. Jacobs Hertz, Wyoming, Del., has been spending the final period of her school vacation as the guest of her grandparents, Mr. and Mrs. Paul E. Jacobs.

Pvt. Ervin Hamme, son of Mr. and Mrs. Jesse J. Hamme, near Holzschwamm, and a graduate of the local high school, is taking basic training at Ft. Lee, Va., having entered the armed forces July 30. His bride, formerly Miss Eleanor Parsons, Hickory, Va., who has been staying with the Hammes, expects to spend the next months completing her music course at Shenandoah Conservatory, Dayton, Va.

Miss Shirly A. Burgard who has taken a position in York after graduating from the local high school last spring, has returned to the home of her parents, Mr. and Mrs. Laverne Burgard, after a few days' vacation in Atlantic City, N. J. She was accompanied by Miss Helen Hostetter, York.

Miss Nettie E. Myers, R. 2, spent a recent vacation visiting and touring points of interest in Washington, D. C. and vicinity.

Mr. and Mrs. Morgan Ruth, Hanover, formerly of here, recently entertained his relatives, Mr. and Mrs. George Ruth and Mrs. Annie Ruth, R. 3.

Sandra, daughter of Mrs. Donald R. Moul, who spends most of the year with her grandparents, Mr. and Mrs. George Mitchell, Red Lion, has been visiting here at her

RESUME TALKS TODAY ON COAL MINER DEMANDS

WASHINGTON (AP) — John L. Lewis may give some indication today of what new work or pay benefits he wants for his 75,000 hard coal miners.

Representatives of Lewis' United Mine Workers and the anthracite industry resume talks this afternoon on a new contract to replace one expiring Sept. 30.

Unless a new agreement is reached by the end of this month Lewis may call a strike of his hard coal diggers, as well as 400,000 soft coal miners.

The UMW chief notified the industry more than a month ago that he would end the existing contracts within 30 days. He also moved to clear the way legally for a strike by notifying the Federal Mediation and Conciliation Service that the contracts may expire. This was to comply with provisions of the Taft-Hartley Act.

Thus far the union chief has given no indication publicly as to what he wants in the new anthracite and bituminous agreements. There have been reports that he plans to ask the operators for a shorter work week in order to spread work in the coal fields more evenly among the miners. Lack of jobs recently has cut the average miner's work week to less than four days.

There also have been reports that he plans to ask a boost in the royalty of 30 cents per ton of coal that his union collects for its health and welfare fund. The anthracite and bituminous workers have separate funds.

Abbottstown

ABBOTTSTOWN—Charles Kuhn is a patient at the Hanover Hospital while his daughter, Doris, is a surgical patient at the Annie M. Warner Hospital. Another daughter, Mrs. Anna Neiman, York R. D., is visiting her mother.

Mr. and Mrs. Norman Miller visited their daughter, Janet, who is working at Ocean City, over the week end.

Miss Marion Shaffer, daughter of Mr. and Mrs. Mark Shaffer, who just moved from town into their new home near Moulstown, fell last Wednesday night and cut her hand. She was later admitted as a patient to the Hanover Hospital where she was a patient two days.

The Rev. and Mrs. Charles Price and sons, Eddie, Bobby and Michael, Walkersville, Md., spent Sunday with Mr. and Mrs. Elmer Butt and family. A car operated by Ralph Butt, Harover, collided with a bicycle ridden by Jack Lieb Monday evening as a group of cyclists rode onto Water St. from a side street. Lieb was uninjured and the bicycle undamaged. Approximately \$15 damage was done to the door and fender of the auto.

Peggy Griffin, Carlisle, spent the week end at the home of Mr. and Mrs. Oscar Griff.

Mr. and Mrs. LeRoy Witters and family spent the week end in the mountains above Waterville.

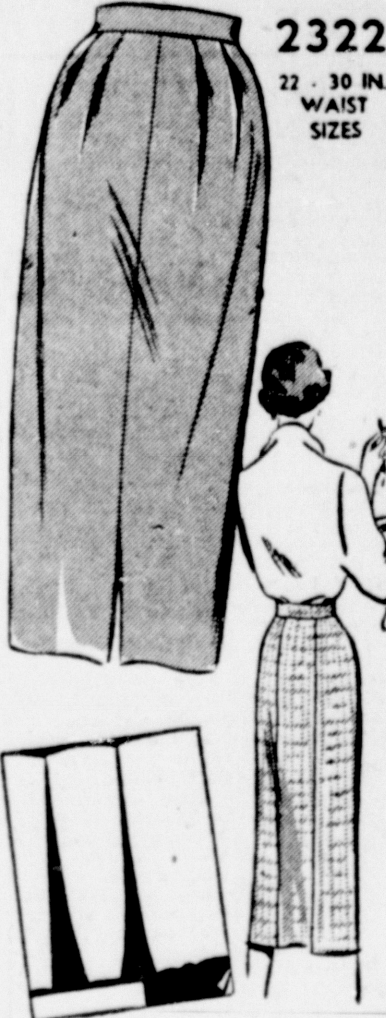

George Myers, Ohio, recently visited Mrs. Helen Jaines who was his former school teacher years ago.

SHIPBUILDING BOOMS

CAUDLE TALKS FOR PROBERS; BIG JOB AHEAD

WASHINGTON (AP) — T. Lamar Caudle proved to be such an interesting witness at a closed-door hearing yesterday that a House investigating committee chairman remarked after it was over that his group "has a lot more work than we thought we had."

"We've got a terrific September ahead of us," added Rep. Chelf (D-Ky.) after listening to Caudle for more than five hours. Then he expressed doubt his judiciary subcommittee, which has been investigating the Justice Department, will be able to finish its work by Oct. 1 as planned.

Caudle, who was the government's chief tax prosecutor until President Truman fired him from his job as assistant attorney general last November, provided some information that was brand new to them, Chelf said.

"A Lot Of Cases" The chairman said the discussion covered "a lot of cases and a lot of things."

Rep. Keating (R-N.Y.), ranking minority member of the committee, told reporters that some of Caudle's information "related to
